Membership Application/Renewal for 2009

Introduction

Chelmsford & District Auto Club aims to cater for people interested in all aspects of motorcycling but primarily in Motocross/Scrambles and Trials either as competitors, organisers or spectators. During the summer season the club endeavours to organise two Motocross/Scrambles events whilst currently five trials are hoped to be scheduled for 2009. From time to time the club may consider other types of events, such as Enduros and Grass Tracks and the Committee welcomes suggestions in this respect.

A newsletter is sent to all members on an occasional basis to inform them of happenings within the club. An optional Eastern Centre Gazette containing information of forthcoming events and entry forms can also be sent if required but at extra cost.
